IDEAL THINKERS · 60 MINUTE LESSONS, WITH A 45 MINUTE VERSION

# Every lesson has the same shape

| | | |
|---|---|---|
| 1 | **Remember When**<br>5 to 7 min | Four quick retrieval questions from last lesson, earlier this year and a previous year. |
| 2 | **Link It**<br>5 min | A hook that connects to what children already know from their own lives. |
| 3 | **Learn It**<br>10 to 12 min | Explicit teaching of one big idea and its vocabulary, with a worked example and a teacher think aloud. |
| 4 | **Try It**<br>15 to 20 min | The signature activity: collaborative, practical and memorable, usually unplugged. |
| 5 | **Own It**<br>10 min | Pupils apply the idea independently or in pairs, usually by creating something. |
| 6 | **IDEAL Check**<br>3 min | Which IDEAL letter did we practise, and what does it look like in real life? |
| 7 | **Exit Ticket**<br>3 to 5 min | Three short questions to check understanding and shape the next lesson. |
