IDEAL Thinkers
An AI literacy and fluency curriculum

HOW WE USE AI WELL

The habits grow with the children

	YEARS 1 AND 2	YEARS 3 AND 4	YEARS 5 AND 6
I Informed	Know what it is	Know what it is and how it works	Know how it works and where it falls short
D Deliberate	Use it on purpose	Use it for a reason, not as a shortcut	Use it for a goal, deliberately and sparingly
E Ethical	Be fair and kind	Be fair, honest and kind	Use it fairly and question whether it is fair
A Accurate	Check it	Check it before you trust it	Fact check, look for bias, find the evidence
L Learning	Keep learning	Make sure it helps you learn	Keep your own thinking in charge
Learning Well	**Try it first**	**Hint, not answer**	**Plan, use, prove**
